

DESCRIBE WHAT YOU DO ON A DAILY BASIS?

I do walkthroughs for potential jobs, write quotes and enter orders while ensuring the customer has everything that they need from us for the move.

PRIOR TO NOR-CAL MOVING SERVICES, WHAT COMPANY DID YOU WORK FOR?

I was interning for around a year at Northwestern Mutual.

WHAT IS YOUR FIRST IMPRESSION WITH THE COMPANY?

That it was a small company where everyone around you is friendly and nobody would hesitate to lend a helping hand. Having a company that is willing to help is very nice for a new employee.

WHAT DO YOU DO DURING YOUR FREE TIME?

I work out, play with my dog and watch sports. From time to time, I also play golf or do something with my friends.

EMPLOYEE *spotlight*

As part of our 40th Anniversary Celebration, we are highlighting some of our remarkable employees (new and seasoned). We feel it is important for us to celebrate these individuals. The long-standing success of our company stems from our dedicated team. We are proud and fortunate to have them.

HAS THERE BEEN ANY OBSTACLE YOU FACED DURING YOUR ONBOARDING?

There were almost no onboarding obstacles. Jeff and James were very clear with expectations and my role. All sales rep would assist with any obstacles I experience. They also provide advice as to how they would handle them and point me in the right direction.

ARE YOU CURRENTLY BINGE-WATCHING ANY SHOWS?

I just finished Winning Time about the Lakers dynasty with John C. Riley and Ozark.

AN ITEM YOU CAN'T LIVE WITHOUT.

My Hydro Flask. Remembering to drink water is hard.
